1.0 INTRODUCTION

Kings Park School is an independent specialist provision, offering support and education for children and young people from ages 7-16 with various individual needs. Each child and young person's support is guided by their Education, Health and Care Plan (EHCP), which outlines the provision required to meet their individual needs. With spacious, light-filled classrooms and a highly skilled team of specialist SEN staff, our school provides a calm and supportive environment where children and young people are empowered to move beyond past challenges.

Each learner follows a personalised timetable tailored to their individual needs and interests, with clear, achievable targets that promote motivation, confidence and progress. In addition to the statutory annual review process, we carry out a broad range of formal and informal assessments throughout the year to monitor progress and adapt provision where necessary.

Classes are small with up to 8 pupils, depending on the individual needs. Each class is led by a teacher and supported by a dedicated teaching assistant, with additional teaching assistants provided where necessary and stated on the child's EHCP. Children and young people will be placed in a class based on suitability rather age. Our nurture-based approach ensures that emotional wellbeing is prioritised alongside learning, and our classrooms are designed to be sensory-friendly, providing calm, supportive environments that help students feel safe, regulated and ready to engage.

At Kings Park School (KPS), we place the safety, well-being and development of our students at the heart of everything we do. We are committed to providing a safe, inclusive and aspirational learning environment for children and young people with a range of neurodivergent profiles and social, emotional and mental health needs.

3.0 PURPOSE OF THIS POLICY

At Kings Park School, we are committed to creating an inclusive environment where every pupil is valued, respected, and supported to achieve their potential. We believe that equality, equity, diversity, and inclusion are fundamental to our ethos and embedded throughout our curriculum, safeguarding practices, and daily interactions.

Our duty under the **Equality Act 2010** and the **Public Sector Equality Duty (PSED)** is to:

- Eliminate discrimination, harassment and victimisation.
- Advance equality of opportunity for all.
- Foster positive relationships across different groups.

We also recognise our responsibility under **KCSIE 2025, Working Together to Safeguard Children 2024**, and the **DfE Equality, Diversity and Inclusion Strategy (2023–2027)** to ensure equality is integral to leadership, safeguarding, and wellbeing.

Our school values – *Kind Words, Positive Minds, Strong Hearts* – underpin our approach to celebrating individuality, promoting inclusion, and preparing pupils for life beyond school.

4.0 OUR ETHOS AND VALUES

We are guided by our school motto: *"Inspiring Dreams, Building Bright Futures Together."* Our core values are:

- **Kind Words:** We speak with empathy and understanding
- **Positive Minds:** We approach challenges with optimism and resilience
- **Strong Hearts:** We show courage, compassion and strength in our relationships.

These values are more than aspirations—they are embedded in every interaction, decision and environment within Kings Park School.

Kind Words reflect our belief in the power of language to heal, uplift and include. Whether it is peer encouragement, staff guidance or family communication, we model respectful, thoughtful speech in all we do.

Positive Minds encourage our students and staff to reframe difficulties as opportunities to learn and grow. We promote a strengths-based approach that focuses on what each individual child can do and how they can build confidence through success.

Strong Hearts remind us of the importance of compassion, resilience and relationships. We teach students to persist through challenges, support others and show bravery in being true to themselves. Together, these values underpin our approach to behaviour, learning and building a safe, inclusive school community.
