APPENDIX A – PROTECTED CHARACTERISTICS

1.0 INTRODUCTION

Kings Park School is an independent specialist provision, offering support and education for children and young people from ages 7-16 with various individual needs. Each child and young person's support is guided by their Education, Health and Care Plan (EHCP), which outlines the provision required to meet their individual needs. With spacious, light-filled classrooms and a highly skilled team of specialist SEN staff, our school provides a calm and supportive environment where children and young people are empowered to move beyond past challenges.

Each learner follows a personalised timetable tailored to their individual needs and interests, with clear, achievable targets that promote motivation, confidence and progress. In addition to the statutory annual review process, we carry out a broad range of formal and informal assessments throughout the year to monitor progress and adapt provision where necessary.

Classes are small with up to 8 pupils, depending on the individual needs. Each class is led by a teacher and supported by a dedicated teaching assistant, with additional teaching assistants provided where necessary and stated on the child's EHCP. Children and young people will be placed in a class based on suitability rather than age. Our nurture-based approach ensures that emotional wellbeing is prioritised alongside learning, and our classrooms are designed to be sensory-friendly, providing calm, supportive environments that help students feel safe, regulated and ready to engage.

At Kings Park School (KPS), we place the safety, well-being and development of our students at the heart of everything we do. We are committed to providing a safe, inclusive and aspirational learning environment for children and young people with a range of neurodivergent profiles and social, emotional and mental health needs.

3.0 PURPOSE OF THIS POLICY

At Kings Park School, we are committed to equality, equity, diversity, and inclusion in every aspect of employment. We aim to create a culture where all staff and applicants feel valued, respected, and able to thrive as their authentic selves.

We do not tolerate discrimination, harassment, or victimisation on any grounds. All employment decisions are based on merit, and we actively celebrate the diversity of our workforce and community.

This policy applies to all individuals working at KPS, including the Governing Board, SLT, teachers, teaching assistants, support staff, contractors, volunteers, trainees, and agency workers.

Our approach is underpinned by the Equality Act 2010 and our values of *Kind Words, Positive Minds, Strong Hearts*.

4.0 OUR ETHOS AND VALUES

We are guided by our school motto: *"Inspiring Dreams, Building Bright Futures Together."* Our core values are:

- *Kind Words*: We speak with empathy and understanding
- *Positive Minds*: We approach challenges with optimism and resilience
- *Strong Hearts*: We show courage, compassion and strength in our relationships.

These values are more than aspirations—they are embedded in every interaction, decision and environment within Kings Park School.

Kind Words reflect our belief in the power of language to heal, uplift and include. Whether it is peer encouragement, staff guidance or family communication, we model respectful, thoughtful speech in all we do.

Positive Minds encourage our students and staff to reframe difficulties as opportunities to learn and grow. We promote a strengths-based approach that focuses on what each individual child can do and how they can build confidence through success.

Strong Hearts remind us of the importance of compassion, resilience and relationships. We teach students to persist through challenges, support others and show bravery in being true to themselves.

Together, these values underpin our approach to behaviour, learning and building a safe, inclusive school community.
